

Cool Stuff everybody needs

Get your product in the hands of students now! The COOL STUFF email will be sent to 22,000 auto tech students every Wednesday with cool stuff they all need! A few clicks can lead to an immediate purchase. Access to a "Buy It Now" page will be available on the *Tomorrow's Tech* newsletter as well as on *TomorrowsTechnician.com*. An archive page of past products will be hosted on the website, giving access to past deals.

- New COOL STUFF every Wednesday
- **Featured Product: A new product will be featured each week**
- Product photo and brief product description
- All product listings are 4/C
- Products may be changed each week
- **Listing \$650 each** (up to 4 different products per month)
