|   | <p><i>Servicio Automotriz</i> is polybagged four times a year in <i>ShopOwner</i> Magazine. <i>ShopOwner</i> is the leading automotive business publication focusing on every aspect of today's shop operation. Each monthly issue includes articles on business operations and marketing; employee relations and customer service; in-depth profiles of some of the nation's most influential and successful independent repair facility operators; and opinion pieces from industry veterans and business professionals. In addition, <i>ShopOwner</i> includes exclusive technical content from <i>Brake &amp; Front End</i>, <i>ImportCar</i>, <i>TechShop</i>, <i>Tire Review</i> and <i>Underhood</i>. Selected articles from our technical sections of <i>ShopOwner's</i>, <i>Brake &amp; Front End</i>, <i>ImportCar</i>, <i>TechShop</i>, <i>Tire Review</i> and <i>Underhood</i> are translated to create a technical publication that directly addresses the Spanish speaking market.</p> |  |   |  |
